

LA FERME DE MARIE

Morzine ski chalet for 14 - sauna, Nordic bath, great views

Enjoy mountain style and modern luxuries at this dream chalet with a sauna and Nordic bath

Your own mountain refuge, designed for comfort and relaxation

The renovation of La Ferme de Marie, just five minutes drive from Morzine, really has been a labour of love for its owners, who bought it in 2007.

It took them two years to create the home of their dreams, which they modelled on the mountain refuges you can find in the Alps. The result is a stunning property, with lots of exposed wood and light airy living spaces.

Its idyllic location at the end of a road near the village of La Côte d'Arbroz, means it is totally tranquil, but within easy reach of Morzine, Les Gets and Mont Chery. A car is essential here, but the roads are always cleared of snow in winter.

The latest addition to the chalet is a covered terrace and Nordic bath - the perfect place to watch the snow fall! The chalet sleeps 14, but a separate apartment is available for larger groups.
